IFAGG World Championships, Junior World Championships event 19.-22. November 2020 Sofia, Bulgaria

Dear IFAGG Members,

IFAGG Council has unanimously confirmed on its meeting 17. September 2020 that World Championships and Junior World Championships 19.-22. November 2020 in Sofia, Bulgaria will have the status "World Championships". Due to special Covid-19 situation globally, Council agreed that General Competition Rules (GCR) minimum requirements of participation countries and teams will be not followed.

IFAGG and LOC -BFAGG has been continuing to monitor situation and followed carefully Bulgarian Health Minister and Sport Minister orders and requirements for all sport events. LOC has been advised to prepare detailed safety regulations and guidelines for World Championships event and they have already prepared special safety plans. These safety plans will include e.g. accommodation, transportations (minibus /team), meals (boxes/team) and naturally special safety orders (cleaning, masks, disinfection, schedule/ team/carpet etc.) for sport hall.

IFAGG and its members and LOC as well all participants must comply with the laws and regulations of the host country and follow governmental orders. And naturally, all members must follow national orders. Please note, that NOC`s might have some special instructions concerning top athletes.

Please see on our event page: <https://ifagg.sporttisaitti.com/events/?x118457=337112>

- Order from Bulgarian Minister of Health
- Order from Bulgarian Minister of Youth and Sport
- Appendix 3 to the Minister of Sport

We kindly ask you to orientate to these orders very carefully. If you have any questions concerning organizations, please do not hesitate to contact LOC. If coming any new information, we will update it on event page.

Yours sincerely,
